Attendance

At Lamphey Primary School we expect all children to have good attendance. The school's target is for every child to achieve at least 96%. The Welsh Assembly Government have identified that there is a correlation between attendance and achievement. Information regarding your child's attendance, and also the position within their class, will follow shortly. Please note that if your child's attendance is below 90% for the current academic year and you apply for a holiday you may be served with a Penalty Notice, as is Pembrokeshire County Council policy.

Yours sincerely

S Thomas

Mr S Thomas
Headteacher

Walk to School Day, (16th May 2017)

As part of National Walk to School Week we are holding a Walk to School event for the whole of Lamphey School on the morning of 16th May 2017. This is part of a national campaign to demonstrate how we can have fun and attempt to:

- Support your children with road safety and personal awareness skills which in turn will help to reduce the number of road accidents involving pedestrians
- Reduce the traffic congestion outside schools so it is safer for your children
- Improve the health and well-being of your children by encouraging physical activity as part of their daily routine and by increasing the time spent with friends having fun
- Improve the environment of the school and surrounding area by reducing gas emissions and noise pollution
- Reduce the car dependency of school pupils

We shall meet at 8.30am at Lamphey Community Hall or join us along the route on Park View, St Faiths or A4139 (main road running through village) from where the children will be led to school by members of staff and parents. If your child is in Year 3 or under, parental or adult support is essential. We would be delighted if you would accept this invitation to attend our Walk to School event.
