6th October 2026

Dear Parents and Carers,

As we move into what is always a busy and exciting run up to Christmas, I would like to make you aware of a number of important dates and events that will be taking place over the coming weeks.

We appreciate that many of our upcoming events, particularly Christmas performances and celebrations, may require parents and family members to make arrangements for time away from work in order to attend and support their children. We know that organising time off can be challenging, so we are providing as much advance notice as possible to help families plan ahead.

To support as many families as possible, our Christmas performances will take place both during the school day and again in the evening. We hope this will provide greater flexibility and ensure that all parents, carers and extended family members have an opportunity to share in these special moments, regardless of work commitments.

The festive season is always one of the highlights of the school year. It provides wonderful opportunities for our pupils to showcase their talents, celebrate their achievements and create lasting memories with their friends and families. We would love to see as many of you as possible at these events.

Please keep the calendar somewhere accessible and make a note of any dates relevant to your child. Further details about individual events, performances and arrangements will be shared closer to the time.

Thank you, as always, for your continued support of our school. We look forward to welcoming you to many of our events during what promises to be a wonderful and memorable term.

Kind regards,

K Jones

Mrs Katie Jones
Headteacher
Lamphey Primary School
