7th April 2025

Dear Parents/Carers,

Staff

This Thursday, we will bid a fond farewell to Miss Powell, who has been with us since September. Her enthusiasm and dedication to teaching Dosbarth Waterwynch and across the school has made a significant impact, particularly in the field of science. We wish Miss Powell all the best in her future endeavours. A huge thank from all of us at Lamphey Primary School.

After Easter, we are excited to welcome back Mrs S. Meiring, who will be rejoining us after her sabbatical. We look forward to working with her again.

Health + Wellbeing

The staff have recently noticed on 3 separate occasions an individual walking along the boundary of the school field during lunchtime. While we are confident that this is likely done with innocent intentions, we want to take this opportunity to remind all children about the importance of not speaking to adults they do not know.

We will be reinforcing this message in school, and we kindly ask that you discuss this important safety topic with your children at home as well. I would also like to reassure you that the appropriate authorities have been informed of our concerns.

Swimming

After Easter, Skrinkle Class will have swimming sessions every Wednesday commencing 30th April. Please ensure that your child bring their swimming kit, which includes a swimming cap, goggles, swimming costume, and a towel.

Inset Day

Please note that Monday, 28th April, will be an Inset day for teacher training. The term will commence for all pupils on 29th April after the Easter break.

Handwashing Reminder

I would like to remind all parents and pupils of the importance of handwashing. Children should wash their hands before coming to school, after using the toilet, before eating, and upon returning home. If your child experiences sickness or diarrhoea, please keep them home for 48 hours after the last episode. Thank you for your cooperation.

Sports Achievements

This term has been busy with various sporting activities, including football, rugby, netball, and cross-country. Thank you to all the staff and students for their participation and representation of our school.

Friends of Lamphey Primary School

It has been wonderful to see the children raise money for the school through various activities such as baking, milking cows, playing sports, and making bracelets. A big thank you to everyone involved. All funds raised will support the children of Lamphey Primary School.

Summer Term - (from 29th April 2025)

We look forward to the summer term and hope for good weather. On warm days, children may wear shorts and girls may wear red gingham dresses. Please ensure children come to school with suncream, a sun hat, sunglasses, and a bottle of fresh water, which should be cleaned daily.

Finally, I want to extend my heartfelt thanks for all your kind messages and get-well cards. While I miss being at school, I know that Miss Pegg is doing an excellent job managing everything in my absence. A big thank you to Miss Pegg and the entire staff for their continued dedication and hard work.

Wishing you all a very happy Easter and a wonderful break.

Warm regards,

Mr Thomas
