16<sup>th</sup> January 2026

Dear Parents/Guardians,

Here we are at the end of our second week, which has brought much better weather thankfully allowing the children to get back to enjoying time outside with their friends in our wonderful grounds. This week saw our football team competing in the Swansea City Football Competition, unfortunately not qualifying for the next round but showing brilliant teamwork, resilience, high morale and doing the school proud even in defeat.

Next, a couple of wider messages.

Breakfast is available from 8:10-8:40 am and children arriving within this window will be given breakfast.

Please can you ensure that you are travelling at the expected 5mph in the school car park. This speed limit ensures the safety of all.

Here are some further whole school dates for your diary in this term.

**Friday 13th February** – Dydd Miwsig Cymru, Welsh Music Day. We would like children to come with rock star hair, rock star clothes or just wear red to celebrate with us.

**Monday 2nd March** - We will hold our school St David's Day celebration. In the morning children will be performing their class songs/poems and taking part in competition activities. Then in the afternoon, there will be a community event here on the school grounds where parents/guardians will be invited to come and join in the celebrations! Please keep this date in your diary, and I will be in touch later with more information.

**Friday 6th March** – World Book Day – a whole school celebration of reading. Please can children bring their favourite book to school and dress up as their favourite book character if they would like to do so.

Again, as part of this event there will be opportunities for a shared reading session with your children in the morning here at school between 9-9:30am. I would love to see as many parents/guardians as possible here for this. I will provide further information nearer to the time.

**Tues 10th March** – Safer Internet Day, where children will be engaging in activities and discussions around being and staying safe online. After school there will be a parent drop-in session on supporting your children to be safe online, where staff and Pembrokeshire agencies will be able to talk to you regarding any concerns you have with your child's Internet usage, and ways to protect them and direct you to help and support.

We will be starting our afterschool clubs for this term next week. They will run until 4:15pm. Clubs are open to all children in Years 3-6.

**Monday lunchtime:** New Lamphey Choir with Mrs Jones

**Tuesday Afterschool:** Netball Club – Mrs Rees and Mrs Meiring

**Wednesday:** Coding Club with Mrs Williams and Miss Lewis

Running Club with Mrs Jones

**Thursday:** Football with Mr Price

Gardening with Mrs McGilloway will start after half term.

Lastly, I would like to offer an opportunity for you to give me feedback and your thoughts and opinions of the school. These views are very important to help me refine my ideas about the strengths of the school currently, and the best ways for us to grow and develop.

Please use the QR code link below to give your views. This link will also be up in the main foyer and community hall should you wish to access this there.

I will be holding two opportunities for you to come into school and meet with me. A coffee morning in the school hall on Wednesday 21st January from 9am-10am, plus a meeting again after school that day at 4pm. During these events you can ask questions and find out more about my plans for this fantastic school, hopefully allowing as many people as possible to access and provide feedback. I'd love to hear your views and answer your questions, as I begin this exciting journey with you. I would be very grateful if you took the time to share your thoughts either using the form or by dropping in to one of the in-school events.

Lamphey School - Initial Parent  
Survey

I wish you and your family a restful and relaxing weekend, and I will see you all back in the wonderful Lamphey School on Monday.

Kind regards,

*Jones*
