9<sup>th</sup> March 2026

Dear Parents/Guardians,

This week we are holding parents' evenings, with staff ensuring they discuss with parents your child's progress and wellbeing. Therefore, this means there will be no afterschool extra-curricular clubs. Our afterschool club will continue as usual but will be held in Reception Class, with access for collection through the pedestrian side gate. If you would like to talk to or meet with me during parents evening this week then I am available in the hall, or Lolfa, throughout the evenings so please feel free to approach me.

I would like to update, and hopefully reassure you, about the recent incident and lockdown at Milford Secondary School. We understand that incidents of this nature cause concern. Please be assured that that safety and wellbeing of all our pupils and staff always remains our highest priority. Lockdown procedures are a standard part of our safeguarding and emergency planning. They are something that we practise termly to ensure everyone knows what to do. As part of our ongoing commitment to safety, we will be revisiting and practising our lockdown procedures and will be holding our termly drill during this week. Thank you for your trust and cooperation on matters like this, but if you do have any questions or concerns, please don't hesitate to contact us.

In order to showcase and advertise Lamphey school, we are going to start a new open Facebook page, managed and controlled by the school. This will fly our flag to its fullest and celebrate with a wider audience all the incredible work that goes on here at Lamphey. We collected and updated permissions for Facebook in December and so staff will now be contacting families who have not sent back permission, so we know whose photograph is allowed on this platform. If you have any concerns or would like your child, not be included on Facebook, please contact Mrs Andrews in the school office.

We have many exciting new ideas in the pipeline here and really would appreciate your ongoing support. Friends of Lamphey have organised a spring 2026 fundraiser challenge to raise £20.26. The funds raised will go towards outdoor play equipment for the Reception and Year 1 playground areas. Please try and support this if you can!

Lastly, I am pleased to announce that I have been able to rearrange the community Twmpath for Thursday 26th March @2pm. We look forward to showing you the fantastic dances of each class and, coming together to dance as a community led by the fantastic Jess Ward, so keep this date free in your diary. Let's hope the spring weather returns soon!

Kind regards,

*Mrs K Jones*
