

Targets and Strategies for Our Priority Areas 2024-2025

Our Immediate Priorities

By the end of July 2025, we aim to ensure that:

1	Enhance writing stamina across all year groups, ensuring clear progression in the complexity and maturity of students written work.
2	To continue to raise standards of Welsh across the school, embed French as an international language in Progression Steps 2 and 3 and develop British Sign Language across Progression Step 1.
3	To increase pupils understanding and achievements in mathematics, evidenced by improved performance in problem-solving and reasoning tasks. (Authentic learning in mathematics.)
4	To enhance Digital Competence Framework (DCF) skill sets for all pupils through a cross-curricular approach, focusing on Citizenship, Interacting and collaborating, Producing and Data and computational thinking
