

July 15<sup>th</sup>, 2024.

Dear Parents/Carers,

As we approach the end of another successful school year at Lamphey Primary School, I want to take this opportunity to reflect on the wonderful achievements and milestones we've reached together. This year has been filled with growth, learning, and numerous memorable moments for our students, teachers and community.

Our Year Six pupils have truly been an inspiration, leading by example in their final year. As they transition to comprehensive school, we wish them all the success in their future endeavours. They have been a credit to their families and to our school and they will surely continue to make us proud.

We are excited to welcome new pupils in September and look forward to another year filled with learning and development. Our first day of the new term will be on **Wednesday, the 4th of September 2024**.

On Wednesday, your child will be given their end-of-year school report to take home. We encourage you to review and discuss this report with your child. Additionally, you can access their personalised assessment data through your child's HWB account online. To access this, you will need your child's personal password, which they should already have. If you have any questions or need assistance, please do not hesitate to reach out to us.

We wish you a relaxing and enjoyable break. Thank you for your continued support and partnership. We look forward to seeing you all in September.

With warm regards,

Mr S. Thomas

Headteacher

Lamphey Primary School
