Dear Parent/Carer

Welcome back after a restful half term week.

### ***Flu Vaccinations***

Due to a national shortage the planned vaccination cycle for Monday 11<sup>th</sup> November will now not take place. A new date will be given in due course.

### ***School to Home Communications***

We will shortly be using MySchoolApp to provide more comprehensive communication between the school and home. In order to do so we require your consent to forward the information below to MySchoolApp. They will then contact you directly with an invitation to install the app onto your smartphone and sign up to use it. The information required is:

- Parent/Carer name
- Parent/Carer email address

Please complete the form attached and return it to school by Thursday 14<sup>th</sup> November to indicate whether you give permission or not. We are not able to use 'presumed consent' therefore it is imperative that ***all*** parents/carers do this in a timely manner.

Thank you those who completed the information form before half term. If you have not done so please could you forward the information above along with the permission form.

In the meantime we will continue to communicate using letters and our webpage ([www.lampheyschool.com](http://www.lampheyschool.com)).

***Safe Routes to School***

This is part of the Safe Routes to Schools initiative. Please could you support us to encourage your children to walk or cycle to and from school to reduce the congestion around the entrance of the school at the start and end of the school day. Please could you consider parking at the Village Hall and walking, cycling or scooting to school with your children.
