Dear Parents/Carers and Children

STAY AT HOME – STAY SAFE – STAY IN TOUCH!

We are now moving into week 4 of the Summer Term I would like to remind you that the staff have uploaded Unit 6 of the children's school work onto MySchoolApp and Hwb. I continue to comment on a selection of pupils' work from many classes. It is quite clear that many children are working hard and producing excellent work – well done! I would love to see as much work as possible uploaded onto J2E so my staff and I can see the wonderful work that you are producing for us. I very much enjoyed taking part in the Teams meeting with Year 6 on Friday; it was a pleasure seeing all your smiling faces.

We are still greatly enjoying seeing the photographs of children working at home and thank you very much for sharing those with us.

Messages from the Staff

The Rainbow Children ☀️
The history books will talk of now,
That time the world stood still.
When every family stayed at home,
Waves out from windowsills -
At those they loved but could not hold,
Because they loved them so.
Yet, whilst they did they noticed all the flowers start to grow.

The sun came out, they can recall,
And windows, rainbow filled.
They kicked a football in their yards,
Until the night drew in.
They walked each day but not too close,
That time the world stood still.
When people walked straight down the roads,
That once the cars did fill.

They saw people become ill,
They knew the world was scared.
But whilst the world stood still, they saw
How much the whole world cared.
They clapped on Thursdays from their doors,
They cheered for the brave.
For people who would risk their lives,
So others could be saved.

The schools closed down, they missed their friends,
They missed their teachers so.
Their mum's and dad's helped with their work,
They helped their minds to grow.
The parents used to worry that,
As schools were put on hold,
Their children wouldn't have the tools,
They'd need as they grow old.

But history books will talk of them,
Now adults fully grown.
Those little boys and girls back then,
The ones who stayed at home,
They'll tell you that they fixed this world,
Of all they would fulfill,
The RAINBOW CHILDREN building dreams,
They'd dreamed whilst time stood still.

Miss Anita – Year 4

Hello everyone. I hope you're all well and have enjoyed the lovely sunny days we've had.

I've been very busy at home trying out new recipes, growing vegetables in the garden, doing jigsaws, reading and cleaning our windows (which I didn't enjoy very much!). My two children have also helped us paint the house, although they needed a lot of encouragement! My parents and sisters all live in England so we have lots of Zoom chats. Recently, we had a family Bake Off Challenge where the theme was 'things that make us happy'. I helped my daughter make and decorate a cake with people playing underwater hockey, which is her favourite sport. We had lots of fun making swimmers wearing snorkels out of fondant icing! I'm looking forward to seeing you all very soon I hope and hearing all the fun things you've been up to.

Take care, love Miss Anita x

Hello Children and Parents

How I miss your smiling faces when you arrive at school and those of all the staff. This lockdown has made it hard for me living alone, I enjoy the contact with all of you.

I am glad to hear you are all in contact with your teachers and are working hard at home. Keep up the good work. I am sure you miss your school friends and I expect you can keep in touch by social media. You may be getting bored not being able to go out to play but good times will return.

I must admit that I am particularly happy with the weather being so nice. I have been working in the garden as I haven't been out for weeks, with my daughter doing my shopping.

I really missed my son, whose family and my grandchildren who were due to come on holiday with me over Easter week.

I trust it will not be too long or the school to be open again (although I am afraid it will be) and I can see all of your smiling faces again. Be good and keep in touch. I am sure this will get better.

Best wishes.

Parental Survey – Return to School

We have been asked to send out a link for a parental survey on behalf of Pembrokeshire County Council. The link is:
