Dear Parents/Carers and Children

STAY AT HOME – STAY SAFE – STAY IN TOUCH!

I and all my staff would like to thank you so much for your support during this time. We realise it is very difficult working from home but I can only praise you for the quality of work we are seeing. The teachers are really enjoying looking at your work, which they access at some time during the week. Don't forget next week is half term so there will be no work uploaded, however if you need at any time to discuss any concerns please do not hesitate to contact me at head.lamphey@pembrokeshire.gov.uk, or any other member of staff you feel comfortable talking to. You may also use a new app on J2E called J2Message. Please could you bring this to the attention of your children so that they are able to communicate with us at school.

We are still greatly enjoying seeing the photographs of children working at home and thank you very much for sharing those with us.

Messages from the Staff

Mr Price – Year 4

Hello everyone, I hope you're all well. I thought it would be nice to let you know what I've been up to over the last few weeks. I have been enjoying 'Home schooling' my two sons- Zachary (8) and Alex (3)- doing lots of fun Maths and English work with them. I have also been spending quality time with my baby Molly playing and singing nursery rhymes with her. I have been trying to keep fit- participating in the Joe Wicks fitness sessions and going for runs on my treadmill in my garage!

I think we've been very lucky with the weather and because of this I've also been out doing lots of DIY jobs in the garden- mowing the lawn, weeding, painting and generally tidying up.

It's been lovely to hear some of your news via Hwb and I hope to hear a lot more about the fun you've been having at home with your families over the next few days.

Keep Safe, take care,

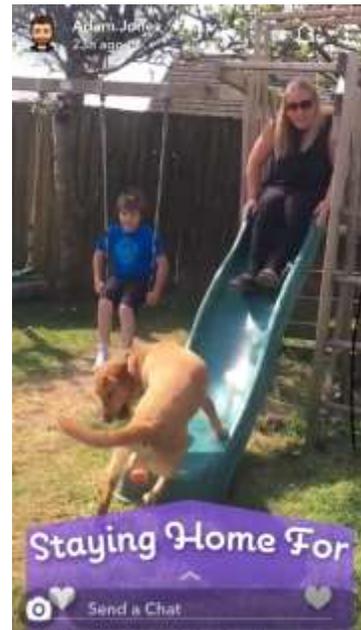

Mr Price

Mrs Jones – Year 3

Hi class three!!

I'm sure that you are all enjoying your extra holiday time and especially enjoying the lovely weather that we have had. I've been in my garden nearly everyday. My little boy and my dog both love it in the garden. Buddy has been chasing the ball - this is in the picture, Casey has been enjoying his swing and I've been having fun on the slide as well!!! I hope that you are keeping well and staying safe. I will be putting some more work for you to do, on the app. Do your best to have a go if you can and either write and save it onto your hwb account or write it in your book. You must make sure that you e-mail me if you have any questions at all or any concerns. I will help you in any way that I can.

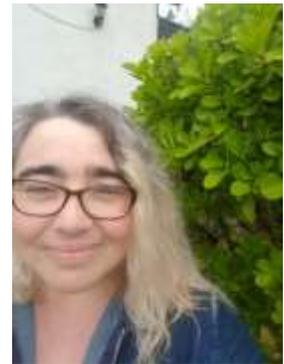

Sending you lots of love and best wishes, love Mrs Jones
xxxx

Miss Lyndsey

Hi all! hope your keeping well! I've been spending a lot of time drawing and creating while we've been indoors and it's been lovely to enjoy the fantastic weather we've had, out in the garden, and I'm sure you've all been doing the same. I've seen some of your amazing work on hwb and I've been really impressed with your art! Keep creating, keep smiling and keep safe.. I'll see you all soon xx

Return to School

As you will be aware schools in Wales will not be reopening on 1st June 2020. At present we have had no further information regarding this. As soon as we do I will inform parents using all available methods of communication. I would like to reassure you that we are starting to plan for any reopening. Please find below the information that we have received from the Welsh Government. In all instances we will follow advice and guidance from Welsh Government and Local Authority.

Education and Care for Children*

- Lockdown** Closed except to key workers and vulnerable children. Outreach services in place.
- Red** No change, but able to manage increase in demand from children already eligible to attend schools and childcare.
- Amber** Priority groups of pupils to return to school in a phased approach. Increased numbers of children in childcare.
- Green** All children and students able to access education. All children able to access childcare.

**(Schools, Colleges, HE/FE institutions, Childcare providers, PRU's, Special Schools and EOTAS)*

Keeping in Touch

Please keep in touch with us during this time. This can be done by emailing your child's class teacher or the school. We will keep you updated as regularly as possible with any developments using all of our forms of communication. Please stay safe and follow government guidance.

Yours sincerely

S Thomas
