## Parent & Pupil Update of Information – 17<sup>th</sup> November 2020

1. If your child displays symptoms of COVID-19 (a new continuous cough, a high temperature or loss/change to sense of smell and taste) they must self-isolate for 10 days, call for 111 for clinical advice, and call 119 to arrange a test.
2. If a household member (anyone they live with and anyone in the family bubble) contracts COVID-19 the whole household must self-isolate for 14 days. Please contact the school so that we can share this information with the Local Authority.
3. Pupils are working in bubbles throughout the school day wherever possible. We request that the Breakfast and After School Clubs are only used if absolutely necessary in order to minimise the mixing of these bubbles.
4. Staggered starts and ends of the day are being used so that parents and pupils have minimal contact with each other. Please ensure that your children arrive at school no earlier than 8.55am for Key Stage 2, and 9.10am for Foundation Phase, and they are collected at the end of the day and leave the premises promptly. It has been noted that we currently have a number of pupils arriving over 20 minutes before their allocated time. Please observe social distancing at all times and do not socialise on the school site.
5. Please ensure that all pupils sanitise their hands before entering the school (sanitiser is available on all entrances and exits).
6. All staff will be wearing face masks in public areas and when greeting and dismissing pupils. Please could you support us in this matter by wearing a face mask whilst on the school site.
7. If you would like to arrange meeting with your child's class teacher please contact the school to arrange telephone or virtual meeting. Due to the current climate we are unable to arrange face-to-face meetings.
8. Christmas – We will be celebrating Christmas at Lamphey Primary School with our daily Advent Extravaganza, which will be commencing on Monday 30<sup>th</sup> November. However there will be no traditional concerts or carol services this year. Please ensure that consent is given for your child to appear in the Advent items, as they will be shared using social media.
9. Christmas Cards – we would prefer if Christmas cards were not brought in from home and for pupils to consider using an alternative medium, e.g. digitally through Hwb, to send greetings to their friends. If cards are brought in they will have to be left for 72 hours before being sent home.
10. Birthday treats – if your children wishes to bring a treat for their class mates on their birthday they must only bring individually wrapped items, such as packets of Haribo, mini chocolate bars etc. These should then be taken home to be enjoyed.
